Professional Summary

Psychology graduate and aspiring Software Developer with hands-on experience contributing to the development and deployment of web applications. Experienced in software testing, debugging, system deployment, technical support, and user-focused problem solving. Led the implementation of Studia, a web-based school management system currently used by a Nigerian secondary school, while leveraging AI-assisted development and continuously improving my backend engineering skills..

Education

B.Sc. Psychology

Nnamdi Azikiwe University, Awka – September 2025

Senior Secondary Certificate (SSCE)

Benevolent Comprehensive Secondary School, Nnewi – September 2020

Work Experience

◆ **Project Lead - MGX SYSTEMS**

(Studia - School Management System) - January 2026 - Present

- Led the planning, development, and deployment of Studia, a web-based school management system using PHP, MySQL, JavaScript, HTML, and CSS.
- Leveraged AI-assisted development together with hands-on frontend implementation, testing, debugging, integration, deployment, and continuous refinement to deliver a working system for a Nigerian secondary school
- Developed features for student records, staff management, subject allocation, score entry, result computation, promotions, and role-based access control.
- Designed responsive user interfaces and improved usability based on user feedback.

- Assisted with deployment, configuration, backup processes, and ongoing maintenance.
- ◆ **Computer Studies Teacher (Part-time)**
Justice International School, Nnewi, Anambra State – September 2025 – Present
- Taught computer fundamentals and digital literacy.
 - Assisted students with practical computer applications.
- ◆ **Administrative Assistant**
Rapuluchukwu Medical Laboratory Services, Nnewi, Anambra State
December 2025 – June 2026
- Provided front desk support, managed patient registration, and maintained accurate digital records. Supported day-to-day operations by maintaining internal software and assisting with administrative workflows.
 - Prepared documentation, reports, and communication materials while ensuring accurate record management.
 - Delivered customer support and coordinated with staff to improve operational efficiency.
- ◆ **Sales Manager (Gadget Store)**
MGX Gadgets, Remote - 2025
- Managed gadget sourcing, customer communication, online promotion, and delivery coordination.
- ◆ **Class Teacher**
Great Divine Gift Primary/Secondary School, Nnewi, Anambra State March 2022 – July 2023
- Developed communication, organization, and classroom management skills through teaching and student support.
- ◆ **Studio Assistant**
Cathcom Photo & Video Studio, Nnewi, Anambra State – June 2021 – February 2022
- Provided photography, editing, customer service, and staff support.
